

Industrial Hemp Alert

Support [SB 41](#) and [HB 286](#)

For those who have followed TBK for a while know we have been advocates for Industrial Hemp in Kentucky and why we have done so. Basically it will help the Economy by growing jobs, create a viable alternative Energy source, and is an Environmentally friendly plant. For those that need more details about why we support industrial hemp please [CLICK HERE](#) for a write up on the work that is being done legislatively, [CLICK HERE](#) for a basic overview of Industrial Hemp, and [CLICK HERE](#) for a University of Kentucky Study on the matter. **Primary Senate Sponsor: Senator Joey Pendleton. Primary House Sponsor: Richard Henderson. Committees: Senate and House Agriculture.**

Tell the operator you would like to leave several messages:

First Set of Messages: Thank the sponsors of each piece of legislation, there are many (as this is truly a bi-partisan effort), but thanking the primary will get the point across.

Second Set of Messages: Ask YOUR representative and senator to support these two bills.

Third Set of Messages: Tell House Leadership and the Agriculture Committee Members in the House and Senate to support and pass these two bills.
