

Stop the Gaming Bill

SB 151

Take Back Kentucky has voted to be against this bill, while there are several reasons to be opposed to this bill," there are a few that TBK would like to point out. 1) The Budgetary fallacies of this bill that will lead our legislators and government bureaucrats to spend more money. 2) If this is so great then why does it just give the horse industry the exemption, why not allow everyone to participate? 3) *The most important reason* to be against this bill is it will set the precedent of giving a specific industry a Constitutional Protection, Exception and Special Rights in Kentucky.

We have reason to believe this bill will start seeing legislative motion/action sometime this week
