

# Library Board Accountability

## [Support SB 49](#)

This Bill has passed the Senate and made it into the House Local Government Committee

Essentially Library boards are self-appointed. These Library boards have taxing authority. This bill would give the County Judge Executive the authority to appoint a more appropriate individual if approved by the Fiscal Court. If many are unaware the Library boards are a part of the problem in increasing your property taxes without a vote through a loop hole in which there is a bill to curb that as well HB 48.
